

LARC-RST Workshop Registration

The Laboratory Animal Resources Center is pleased to offer two "hands-on" workshops on the care and use of mice and rats. The LARC will be providing biotechnology instruction, as well as, instruction in rodent surgery.

Registration is **required** and will be on a first-come, first-serve basis, based on space availability.

****Please note:** This unique educational opportunity is offered to you **free of charge**, however, when registered individuals don't show up for the workshops, animals, money, and time are wasted. **If you are unable to attend, please cancel as instructed below. A \$25.00 fee will be charged for all no shows or those that cancel after the cancellation deadline.**

To register (please follow the instructions **completely**):

1. E-mail Jessica Kurz (jessica.kurz@utsa.edu) indicating that you would like to reserve a spot for one of the workshops. In your e-mail, please provide the following information:
 - Your full name, **exactly** as you would like for it to appear on your certificate
 - The name of your PI (if applicable) and department
 - The **account number** to which fees should be charged (in the event that you do not cancel by the deadline stated below, or you simply do not attend)
 - Indicate which workshop you would like to attend:

Mouse Biotechnology

Rat Biotechnology

Rodent Surgery
2. You will receive an e-mail confirmation detailing either successful registration or placement on a waiting list in the event that the workshop is full.
3. The week prior to the workshop, you should receive a registration reminder. Also, each individual will be responsible for going to the [LARC website](#) and printing out the workshop handouts (which can be found under the Training & Development page). Please bring them with you to the workshop.
4. If you do not have access to the BSE vivarium, please let us know as soon as possible.

If you have any questions, please don't hesitate to contact to us at x-6173. We look forward to seeing you there!
